

## **Managed Long-Term Services and Supports Regional Work Group Meeting**

Ohio Medicaid will implement a new Managed Medicaid Long-Term Services and Supports (MLTSS) program and begin enrolling individuals receiving community and facility-based long-term services and supports in managed care on July 1, 2018. The move will allow Ohio Medicaid to provide the benefits of care coordination to Medicaid enrollees who have the most complex needs and improve quality of care to achieve better health outcomes.

Stakeholder engagement will be an important part of the process as key decisions are made regarding the MLTSS program.

Event: MLTSS Regional Meeting  
Date: Tuesday, June 27, 2017  
Time: 10am – 12pm  
Location: Hilton Garden Inn – Twinsburg  
8971 Wilcox Dr.  
Twinsburg, OH

No RSVP is required. Questions can be directed to [MLTSS@medicaid.ohio.gov](mailto:MLTSS@medicaid.ohio.gov).

**In order to prevent a conflict of interest that may prohibit potential plan applicants from bidding on the future MLTSS procurement opportunity, we are asking that potential applicants exclude themselves from stakeholder group meetings where MLTSS design will be discussed.**
