

Cooperative Arrangements with the Ohio Department of Developmental Disabilities

The single state agency listed in Section 1.1(a) of the state plan has a subrecipient relationship with the Ohio Department of Developmental Disabilities (DODD): DODD is the sub-recipient of funds for providing or assisting the single state agency in providing statewide access for eligible individuals who are covered by the Medicaid program as set forth in Title XIX of the Social Security Act or the State Children's Health Insurance Program (SCHIP) Medicaid expansion as set forth in Title XXI of the Social Security Act for: Targeted Case Management (TCM) services, Home and Community-Based Services (HCBS) waiver services, Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF-IID) services delivered in Developmental Centers, and Pre-Admission Screening and Resident Review (PASRR) screening services for individuals with intellectual or other developmental disabilities seeking Nursing Facility (NF) services.

The relationship assures statewide access to medically necessary covered services comparable in amount, scope and duration, with the exception of PASRR, in accordance with federal compliance requirements, statewideness, recipient free choice of provider, comparability of services and reasonable promptness.

The relationship is formalized by an Interagency Agreement to implement the provisions of 42 CFR 431, Subpart M and to transfer of federal funds between the single state agency and DODD for those Medicaid services under CFDA #93.767 and CFDA #93.778.
