

OHIO CPC ENROLLMENT PROCESS

Steps required for enrollment

- The enrollment page will look like this:

The screenshot displays the Ohio Department of Medicaid website. At the top left is the "Ohio Department of Medicaid" logo. To the right are navigation links: "About ODM | Our Services | Resources | News & Events". A search bar is located in the top right corner. Below the header is a breadcrumb trail: "Home Consumers Providers Trading Partners Public Information Publications Admin Host". The main content area features a "Welcome to Ohio Medicaid" message, a "Need Help?" section with contact numbers for Consumers (1-800-324-8680) and Providers (1-800-686-1516), and a "Consumers" section with links for "Provider Search" and "Ohio Medicaid Information". A "Providers" section is also visible, with "Provider Enrollment" circled in red. Below this is a "JFS Services" section with four columns: "Consumers", "Providers", "Trading Partners", and "Public Information", each with a brief description of services. At the bottom, a blue box titled "Instructions" contains the text: "Welcome to the online Provider Enrollment/Revalidation process." and four radio button options: "I need to enroll as a provider to bill Ohio Medicaid", "I need to revalidate my current Medicaid provider number", "I need to enroll for the sole purpose of Ordering, Referring, or Prescribing (ORP Provider)", and "I need to enroll as a Comprehensive Primary Care (CPC) Provider".

- All fields must be completed and the page must be “submitted.” Closing the page prior to completion will not constitute an application, and applications must be completed within a single visit. Entries will not be saved if closed without submission

- A pop-up will confirm successful submission, as well as an email to the point of contact listed in the application. Enrollment timing
- Practices will enroll in Medicaid CPC between October 16th and November 3rd 2017
- Enrolling should take less than 30 minutes if your information is gathered in advance of enrollment Information required to enroll In order to apply for enrollment, practices must provide:
 - Practice data:
 - Practice name
