

OHIO CPC EARLY ENROLLMENT PROCESS

Steps required for enrollment

- The enrollment page will look like this:

Ohio CPC Application Form
Please see OAC 5160-1-71 "Patient-centered medical homes (PCMH): Eligible providers" for provider and program eligibility requirements.

Practice Data
If you belong to a group, please include information for group, not individual practitioners.

Practice Name:
Practice NPI:
Practice Medicaid ID:

PCMH Accreditations
Select all that apply

AAAHC Joint Commission
 NCQA II NCQA III
 URAC None of the above†

†Please note that either relevant PCMH accreditation or enrollment in CPC+ is required for participation in Ohio CPC for the 2017 performance period.

CPC Point of Contact

Contact Name:
Email:
Phone:
Mailing Address:

City: -State-
Zip:

CPC+

Have any of your locations applied with CMS to participate in the CPC+ model?
 Yes No

Have any of your locations been accepted to CPC+?
 Yes No

Practice Attestations
Applicants must agree to all of the following (check all boxes):

This practice commits to sharing necessary data with the Ohio Department of Medicaid and the managed care plans.
 This practice commits to participating in learning activities as determined by the Ohio Department of Medicaid.
 This practice commits to meeting activities requirement within six months.

I, certify the information on this application is true and subject to review by the Ohio Department of Medicaid.

- All fields must be completed and the page must be “submitted.” Closing the page prior to completion will not constitute an application, and applications must be completed within a single visit. Entries will not be saved if closed without submission
- A pop-up will confirm successful submission, as well as an email to the point of contact listed in the application.

Enrollment timing

- Practices will enroll in Medicaid CPC between September 28 - October 31, 2016
- Enrolling should take less than 30 minutes if your information is gathered in advance of enrollment

Information required to enroll

In order to apply for enrollment, practices must provide:

- Practice data:
 - Practice name
 - NPI
 - Practice Medicaid ID

- Please note, if a practice has multiple Medicaid provider billing IDs that are each eligible for Ohio CPC, a separate enrollment form must be completed for **each** Medicaid provider billing ID.

- Information for a single point of contact for the CPC program:
 - Name
 - Email
 - Phone
 - Mailing address

- Practices must attest to the following commitments, by checking each of the boxes listed, including:
 - Sharing necessary data with the state and payers
 - Participating in learning activities
 - Meeting start-up activity requirements within 6 months

- Practices must attest to the PCMH accreditation(s) they have achieved, by checking the applicable boxes listed, including:
 - NCQA II
 - NCQA III
 - URAC
 - AAAHC
 - Joint Commission
 - None of the above

- Practices must indicate whether or not they have applied for CMS's Medicare CPC+ program

- Practices must indicate whether any of their locations has been accepted to Medicare CPC+
