Medicaid Transmittal Letter (MTL) No. 3339-16-01

DATE: May 1, 2016

TO: Eligible Non-Institutional Medicaid Providers
Chief Executive Officers, Managed Care Plans
Directors, County Departments of Job and Family Services

FROM: John B. McCarthy, Medicaid Director

SUBJECT: Revisions to Ohio Administrative Code Rule 5160-8-11

As a result of the five-year rule review performed pursuant to sections 106.03 and 106.031 of the Ohio Revised Code, revisions have been made to Rule 5160-8-11.

Rule 5160-8-11, "Spinal manipulation and related diagnostic imaging services," sets forth provisions for coverage of spinal manipulation and related diagnostic imaging services rendered in non-institutional settings. This rule replaces a rescinded rule of the same number. The text of the rule has been reorganized and streamlined, and a clarification is added that mechanotherapists are eligible providers of services. The new rule title specifies services by type rather than by provider.

This change is effective for dates of service beginning May 8, 2016.
