Healthchek

→ Healthchek is Ohio's Early and Periodic Screening, Diagnostic and Treatment (EPSDT) service package.

These services include a comprehensive health and developmental history to assess physical and mental health, and screenings for potential health problems - including vision, hearing, and dental screenings.

Babies, kids, and young adults younger than age 21 who are covered by Ohio Medicaid can receive Healthchek services.

→ When to schedule a Healthchek exam:
Babies: Should have at least 8 Healthchek exams by their first birthday. **Children:** should have Healthchek exams at 15, 18, 24, and 30 months. **After 30 months old until age 21:** one exam per year is recommended.

→ Where to get Healthchek services:
Any doctor that accepts Medicaid can provide Healthchek services. Ask your doctor at your next appointment for Healthchek services. Sometimes, a provider may refer a patient to a another doctor for specialized care. Some services require prior approval.

→ Covered by a Managed Care Plan?
Contact your plan for more information about Healthchek services.
