## Medicare Premium Assistance Program

### **→ What is Medicare Premium Assistance?**

The program helps people pay their Medicare Part A & B Premiums, deductibles, and co-payments.

You may qualify for help if your income and the amount of your assets are within eligibility guidelines for the program.

Your local county department of job and family services can give you more information about eligibility.

### **→ Already Covered?**

If you already have health care coverage through Ohio Medicaid and also have Medicare coverage, you can contact your local county office of job and family services to ask about Medicare Premium Assistance.

Locate your county office here:
