

EVV Small Stakeholder Group Forum Meetings

REV. March 29, 2021

The Ohio Department of Medicaid (ODM) is interested in learning about the electronic visit verification (EVV) experience from the stakeholder perspective. Feedback is important as we work to improve the program in Ohio. ODM introduced five small-group forums to collect thoughts and experiences regarding five areas of interest among stakeholders. Approximately ten participants have been selected for each small group. Additional interested stakeholders are encouraged to participate in the meetings as “Listeners” and to submit written feedback using the Question function in the webinars. Written feedback can also be submitted directly to EVVPolicy@medicaid.ohio.gov.
