

Cooperative Arrangements with the Ohio Department of Aging

The Ohio Department of Medicaid (ODM) has a subrecipient relationship with the Ohio Department of Aging (ODA): ODA is the sub-recipient of funds for or assisting the single state agency in 1) providing statewide access—for eligible individuals who are covered by the Medicaid program as set forth in Title XIX of the Social Security Act—to the PASSPORT and Assisted Living Home and Community-Based Services (HCBS) waivers; 2) performing Level of Care (LOC) determinations and conducting Pre-Admission Screening and Resident Review (PASRR) screening services for individuals seeking Nursing Facility (NF) services; and 3) administering the Program of All-inclusive Care for the Elderly (PACE).

The relationship provides for statewide access to medically necessary covered services comparable in amount, scope and duration, with the exception of PASRR, in accordance with federal compliance requirements including statewideness, recipient free choice of provider, comparability of services and reasonable promptness.

The relationship is formalized by an Interagency Agreement to implement the provisions of 42 CFR 431, Subpart M, and to authorize the transfer of federal funds between ODM and ODA for those Medicaid administrative services under CFDA 93.778.
