

Coverage and Payment of Bed Hold Days

State-operated intermediate care facilities for individuals with intellectual disabilities (ICF-IID) providers are eligible for payment to reserve a bed for a resident who is away from the facility for hospital leave, visits with friends and family, therapeutic leave, and trial visits to home and community-based settings. Up to 30 days are granted automatically per calendar year per resident. Any requests beyond 30 days require prior approval from the Ohio Department of Developmental Disabilities (DODD) except for emergency hospital stays which must be requested within one business day of the start of the leave period. Payment for all allowable bed hold days is equal to one hundred percent of the provider's per diem rate.
