

Nursing Facility Quarterly MDS Submission and Rate Setting

This is a reminder that MDS assessments must be submitted by the filing date for each resident in the facility for the calendar quarter. Pursuant to OAC 5160-3-43.1, assessments for the quarter ending in June must be submitted by July 15, 2020, and any corrections by August 15, 2020. Failure to timely submit the assessments may result in a lower facility daily rate.
