# Introduction

The Ohio Department of Medicaid (ODM), Office of Managed Care, releases a quarterly provider dashboard summarizing managed care plans' performance in key operational areas<sup>1</sup>. The purpose of this quarterly provider dashboard is to visually depict plan performance across all the plans and at an individual plan level. The key areas displayed on the dashboard represent areas for which a compliance standard exists, which allows ODM to identify trends and systemic challenges that may need to be addressed. An explanation of each of the provider dashboard elements is listed below.

## Dashboard Elements

**Provider Complaints:** Providers may choose to contact the Ohio Medicaid Hotline and submit a complaint about a managed care plan (MCP). All provider complaints are tracked using the Healthtrack database developed by the Hotline vendor. Healthtrack does not include complaints submitted directly to an MCP by providers.

**Prior Authorizations:** MCPs may require prior authorization for specific services. Either a member or a provider may request coverage for a service through the prior authorization (PA) process. MCPs are required to report information on all PA decisions rendered for their members. This includes PA requests for **all services**, including requests for services when the MCP is not the primary payer. For standard authorization decisions, plans must either approve or deny the request within **ten calendar days** and this is a standard that the Office of Managed Care would take compliance on if not met (see OAC 5160-26-03.1). Plans must approve or deny pharmacy authorizations within 24 hours for Medicaid managed care or 72 hours for MyCare Ohio. If a PA is denied, the member has the option to appeal to the MCP. Possible reasons why an MCP may deny a request could be due to lack of medical necessity or no medical documentation.

**Prompt Pay:** ODM monitors the MCPs claim processing activities to ensure ongoing compliance with prompt pay requirements. For the categories of service listed below, plans must pay 90% of all submitted clean claims within 30 days of date of receipt and 99% of such claims within 90 days of the date of receipt.

### Medicaid Managed Care

1. Nursing Facility
2. Pharmacy – Retail
3. Behavioral Health
4. All Services Excluding Nursing Facility and Pharmacy

### MyCare Managed Care

1. Nursing Facility/Hospice Room and Board
2. Behavioral Health
