

UPDATED State Fiscal Year-End Provider Payments

The last provider payments for SFY 2019 will now be Thursday, June 27, 2019. Per usual fiscal year-end processing and the July 4th holiday, the Ohio Administrative Knowledge System (OAKS), that processes our Medicaid provider payments may still experience a brief delay for the July 5th provider payment date. That payment will be made no later than Monday, July 8, 2019.
