Featuring 5* cutting edge training experiences from The Eden Alternative®

Grant Project Timeline for Ohio-Based Participants

Throughout the 18-month project, participants will implement new skills they learn through the training experiences captured below and complete portions of the project evaluation process, as they are requested.

Participating change agent teams will choose one date/time option to attend:

- *Dementia Beyond Drugs (4* options)*
- *Reframing Dementia: Train the Change Agent (2 options)*
- *The Care Partner Workshop - Dementia Focus (6 options)*
- *Leadership Pathways to Culture Change**
- *Facilitative Leadership* (4 options)*

*Training opportunities added through the approved addendum.

Teams will get the most out of the project when they attend training together, although splitting up is also an option, as needed.
