

**Medicaid Advisory Letter (MAL) No. 656**

DATE: June 23, 2021

TO: Eligible Medicaid Providers  
Chief Executive Officers, Managed Care Plans  
Other Interested Parties

FROM: Maureen M. Corcoran, Medicaid Director

SUBJECT: Current Procedural Terminology (CPT) and Healthcare Common Procedure Coding System (HCPCS) Level II updates

The purpose of this Medicaid Advisory Letter (MAL) is to announce that the Ohio Department of Medicaid (ODM) is releasing updates to its 2021 fee schedules to reflect 2021 Current Procedural Terminology (CPT) and Healthcare Common Procedure Coding System (HCPCS) Level II updates, effective July 1, 2021.

At the beginning of each calendar quarter, the Centers for Medicare and Medicaid Services (CMS) and the American Medical Association (AMA) may add procedure codes, discontinue procedure codes, and modify the descriptions of procedure codes.

ODM has adopted new rates for electroencephalogram (EEG) codes 95700- 95716. These rates will supersede previous rates added to Appendix DD. ODM is also establishing a professional rate for a HCPCS level III code, 0275T-Percutaneous laminotomy/laminectomy.

A list of codes and payment amounts is posted on the department's web site at <https://medicaid.ohio.gov/wps/portal/gov/medicaid/resources-for-providers/billing/fee-schedule-and-rates/schedules-and-rates>, effective July 1, 2021. This fee schedule represents a supplement to the Ohio Medicaid payment updates published in OAC rule 5160-1-60 Appendix DD, effective July 1, 2021.

**Additional Information**

Information about the services and programs of the Ohio Department of Medicaid may be accessed through the main webpage at <http://www.medicaid.ohio.gov>.

The Medicaid managed care plans should be contacted for information concerning their specific claim submission requirements.

**Questions**

Questions pertaining to this letter may be directed to the Ohio Department of Medicaid.
