Medicaid Transmittal Letter No. 3336-21-03

DATE: June 22, 2021
TO: Eligible Medicaid Providers of Physician Services
Chief Executive Officers, Managed Care Plans
Other Interested Parties
FROM: Maureen M. Corcoran, Medicaid Director
SUBJECT: Revision of OAC Rule 5160-8-41

Rule 5160-8-41, "Medical nutrition therapy services," sets forth coverage and payment policy for services provided by a dietitian. As a result of rule review carried out in accordance with ORC 106.03, this rule has been rescinded and replaced with a new rule of the same number but bearing the tagline "Services provided by a dietitian."

The text of the new rule has been reorganized for the sake of clarity. Federally qualified health centers (FQHCs) and rural health clinics (RHCs) have been added to the list of billing ("pay to") providers. Coverage for lactation counseling services has been added. A payment policy reference to OAC Chapter 5160-28 is included for services provided by a dietitian at an FQHC or RHC site.

These changes take effect on July 1, 2021.
