

SELF Waiver Amendment Posted for Public Comment

The SELF waiver amendment reflects reimbursement rate increases as a result of Ohio's recently passed biennium budget. Rate increases are applicable to residential and non-residential services provided under the SELF waiver benefit package.

Changes to the SELF waiver amendment

Below is a summary of the key changes to the waiver. A link to the full waiver amendment is included below the summary. If you'd like a paper copy of the amendment, please call (614) 466-5990.

The State is posting the SELF waiver amendment application for the public's review and comment prior to submitting the proposed amendment to CMS for consideration.

- Statements regarding the budget increases and applicable changes to waiver appendices were added to the "Purpose of Amendment" section in the waiver;
- Rate Determination Methods located in section I-2-a of the waiver application was updated reflecting the 2022/2023 budget initiative to increase rates for residential and non-residential services;
- Cost-neutrality projections in Appendix J were updated as needed beginning in waiver year 2 of the SELF waiver.
