Audit Requirements

ODM requires each MCP to contract with an NCQA-licensed organization (LO) and undergo an NCQA HEDIS Compliance Audit^{TM2} conducted by an NCQA-Certified HEDIS Compliance Auditor (CHCA). A listing of LOs and CHCAs can be found at <http://www.ncqa.org/tabid/204/Default.aspx>. All audits must be conducted according to NCQA's *HEDIS Compliance Audit: Standards, Policies, and Procedures, Volume 5*.

Audit Scope: The audit scope must include at a minimum all ODM required measures for the overall Ohio Medicaid population.

Audit Timeline: Audits are required for self-reported data submission of HEDIS 2018 data (based on measurement year 2017). Audits must be completed in accordance with NCQA's timeline.

Audit Components: All audits must include: (1) auditor review of Record of Administration, Data Management and Processes (Roadmap) completed by the MCP, (2) source code/software certification review, (3) supplemental data validation [if applicable], (4) medical record review validation, (5) on-site visit, and (6) final rate review.

Final Audit Report: The Final Audit Report (FAR), prepared by the audit organization, must address:

- ◆ Information about the LO
- ◆ Audit team information
- ◆ MCP information
- ◆ Audit scope, product lines, and timeline
- ◆ Supplemental database findings
- ◆ Source code review findings
- ◆ Medical Record Review validation findings
- ◆ Information System (IS) standards findings
- ◆ Final audit results statement

Note: If the FAR contains any additional attachment that documents the auditor's assessment of the MCP's compliance with specific IS standards, please include these attachments as part of the FAR submission.

Data Submission Protocol

1. MCPs are required to submit the audited HEDIS data to ODM as follows:

Submission Tool: NCQA's Interactive Data Submission System (IDSS)—must be the final, auditor-locked version

Submission Format: Data-Filled Workbook (Excel) and CSV Workbook for each submission

Submission Units: Overall Ohio Medicaid population

Naming Conventions: Maintain the IDSS-generated naming convention for each file (e.g., workbook-four digit submission ID.xls or .csv)
Examples: “workbook-1234.xls” or “workbook-1234.csv”

Submission Method: IDSS files and data certification letter should be submitted to ODM via HSAG’s secure FTP site in the following folder:

2. MCPs are required to submit the FAR to ODM as follows:

Submission Format: PDF Version of the FAR for each submission

Submission Due Date: July 20, 2018, 5 p.m. EDT

In addition to submitting self-reported HEDIS results, MCPs are required to submit the FAR to ODM. A review of each FAR will be conducted in order to determine if any data collection or reporting issues were identified. In addition, any measure that is assigned an audit result of “Not Reportable” (i.e., *NR*) will be evaluated to determine the issue(s) that resulted in the assignment of an *NR*. MCPs must be prepared to provide any requested supporting documentation to account for an *NR* audit designation. Based on the findings from the review of the FARs and any *NR*

audit result assigned, ODM will have the discretion to require a corrective action plan or other action as designated by the State.

Data Submission Requirements

Each MCP must submit separate signed data certification letters (Appendix) attesting to the accuracy and completeness of (1) the audited HEDIS data, and (2) the FAR. The MCP must provide the file name of the IDSS file/FAR in the appropriate area specified in the certification letters. Data certification letters are to be submitted in accordance with the Data Submission Protocol specified in this document. Data certification letters are due on the same day that the data files are submitted (June 18, 2018, for the IDSS submission, and July 20, 2018, for the FARs).
