Re: 2016 Medicaid Year-End Cost Report Extensions

- 1.) In recognition of cost report submission via the MITS (Medicaid Information Technology System) portal for the first time for this calendar year, DODD has automatically granted a 14 day extension to all ICF providers for submission of their 2016 year-end Medicaid cost reports.
- 2.) It will not be necessary for providers to submit a written request for approval of a filing extension and DODD will not be sending out provider specific written approvals.
