RE: Nursing Facility Rates and Claims beginning on October 17, 2019

DATE: October 4, 2019

Due to the enactment of the budget, effective October 17, 2019, the SNF market basket will be removed from the tax and \$16.44 add-on components of the rates for the period of October 17, 2019 through and including December 31, 2019. All other components will remain the same.

In order to pay the proper per diem rates for all October dates of service, NFs will need to bill their LTC claims with multiple details that do not overlap the date of October 17, 2019.

For example, instead of billing a single detail of 31 days/units, NFs would bill two details as follows for a claim with Header DOS 10/01/19-10/31/19:

EXAMPLE:

Detail 1: RCC 101, 16 days [10/01/19 - 10/16/19]

Detail 2: RCC 101, 15 days [10/17/19 - 10/31/19]

For claims billed with multiple details, no single detail should overlap the October 17, 2019 effective date.

We thank you for your cooperation in this matter.
